Consent for Services

As a condition of treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from patients for the costs incurred in their care. Financial responsibility on the part of each patient must be determined before treatment.

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for at the time services are performed unless other arrangements are made.

Patients with dental insurance understand that all dental services are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patient's insurance forms or assist in making collections from insurance companies and will credit any collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company.

A service charge of 1.5% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.

I have read and understand the HIPAA policy.

In consideration for the professional services rendered to me by this practice, I agree to pay the charges for the services at the time of treatment, or within five (5) days of billing if credit is extended. I further agree that the charges for services shall be as billed unless objected to, by me, in writing, within the time payment is due. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone me to discuss this statement or my treatment.

☐ I have read the above conditions of treatment and payment and agree to their content.

OFFICE POLICIES

Thank you for choosing our office to provide your dental care. We appreciate your trust and look forward to working with you. In order to prevent any misunderstanding and to better serve you, we ask that all patients read and sign our OFFICE POLICIES. If you have any questions, please ask the front desk.

1. **VERIFYING INSURANCE:** **As a courtesy to you**, we will verify your insurance for eligibility benefits prior to your new patient appointment as well as any time that you notify us of a change in your coverage. The insurance companies do not guarantee payment based on the information that they provide us. **You are ultimately responsible** for knowing if there are any waiting periods for work to be performed. Any amounts on your treatment plans that are not covered by your insurance, are your financial responsibility.

2. **PAYMENT:** Payment is due **at the time of service.** Additionally, if you have a balance following an insurance payment from a previous visit, you will be expected to pay that amount as well.

3. **INSURANCE INFORMATION:** **New Insurance** as well as **changes in INSURANCE** must be provided to this office prior to an appointment. Failure to provide correct and current insurance information may result in the entire bill being **your** responsibility.

4. **CHANGES IN PERSONAL INFORMATION:** Changes in your address or telephone numbers should be kept current with our office.

5. **REQUESTS FOR ADDITIONAL INFORMATION:** These must be responded to **immediately.** Such requests include proof of a college student's full-time status and proof of continued enrollment in an insurance plan. Failure to provide this information to the insurance company in a timely manner may result in the entire balance being **your** responsibility.

6. **PAYMENT PLANS:** Our office offers Third Party Financing if needed to assist you in paying for any necessary treatment.

7. **BALANCES:** If your account balance exceeds 30 days, you will receive a notice informing you that your account is **overdue.** If you do not pay your balance or arrange a payment plan within 10 days, your account will be turned over to a collections agency. If this happens, a **collection fee** (currently 39% of the balance) will be added to your account balance. The collection agency will report any unpaid balance to the major credit bureaus.

8. **RETURNED CHECKS:** There will be a **$30** fee for all returned checks. The amount of the check plus the fee must be paid within10 days of notification by money order, cash or credit card. Once a check has been returned, this office will no longer accept personal checks for payment.

9. **CANCELLATIONS / FAILED APPOINTMENTS:** We request **24-hours notice** if you are cancelling an appointment. There will be a **$50** fee for cancellations made without 24 hours notice and for failed appointments ("no shows"). The $50 will be posted to your account, and you will not be allowed to make any other appointments for yourself or your family members until it is **paid in full.**

The Epworth Sleepiness Scale

The Epworth Sleepiness Scale is widely used in the field of sleep medicine as a subjective measure of a patient's sleepiness. The test is a list of eight situations in which you rate your tendency to become sleepy on a scale of 0, no chance of dozing, to 3, high chance of dozing. When you finish the test, add up the values of your responses. Your total score is based on a scale of 0 to 24. The scale estimates whether you are experiencing excessive sleepiness that possibly requires medical attention.

How Sleepy Are You?
How likely are you to doze off or fall asleep in the following situations? You should rate your chances of dozing off, not just feeling tired. Even if you have not done some of these things recently try to determine how they would have affected you. For each situation, decide whether or not you would have:

- No chance of dozing = 0
- Slight chance of dozing = 1
- Moderate chance of dozing = 2
- High chance of dozing = 3

Write down the number corresponding to your choice in the right hand column. Total your score below.

Situation	Chance of Dozing
Sitting and reading	
Watching TV	
Sitting inactive in a public place (e.g. a theatre or a meeting)	
As a passenger in a car for an hour without a break	
Lying down to rest in the afternoon when circumstances permit	
Sitting and talking to someone	
Sitting quietly after a lunch without alcohol	
In a car, while stopped for a few minutes in traffic	

Total Score = _____

Analyze Your Score

Interpretation:

0-7: It is unlikely that you are abnormally sleepy.

8-9: You have an average amount of daytime sleepiness.

10-15: You may be excessively sleepy depending on the situation. You may want to consider seeking medical attention.

16-24: You are excessively sleepy and should consider seeking medical attention.
